

Euclid Art Association
January 7, 2019, Members' Night 'Show and Tell'
Juanita Sweet, Gail Nelson, Mary Alice Valvoda

Every year in January, Euclid Art Association features several members for an evening of 'Show & Tell'. On this beautiful evening in January (temp got up to 56-degrees!) we had close to 30 members and guests who came to hear **Juanita, Gail** and **Mary Alice**, tells us about their artwork.

Juanita Sweet, our first presenter, is a 'late in life' watercolor artist, having taken up watercolor just eight years ago. She was an elementary school teacher and she had lots of tips and fun stories about how she integrated art with learning. Next, **Gail Nelson** travelled from way out east in Harpersfield Township to share her art with us. She married her high school sweetheart, had three kids by age 25 and enjoyed a career as a paralegal. Now, not only is she a grandmother, but quite an accomplished acrylic painter. Last, **Mary Alice Valvoda**, a very

accomplished photographer, digital artist, photo restorer and more, gave an interesting presentation on her digital art, photo restoration and Giclée printing. Each presentation was unique and extremely interesting and enjoyed by all! We thank them all for sharing their art with us. For more information and pictures from each presentation, please click on **Juanita, Gail, Mary Alice**.

After the presentations, we headed to the refreshment table. It was BYOT (bring your own treats) night!...and it was a BIG success.

Sandi, our refreshment chairperson, said "OMG, we overindulged in all those sweet treats". It's amazing how many treats we could pile on one plate! Thanks to everyone who brought goodies to share.
