

# EAA Sketcher Art Scramble - May 2021

Ten of us came together on Zoom on Sunday, May 16 for an hour to share our latest Art Scramble creations. For May, Joan Milligan assigned us all the same style, "Playing Cards", but we each received a unique subject, from extinct animals, life in the tropics to draperies. Here's the images that some members shared:

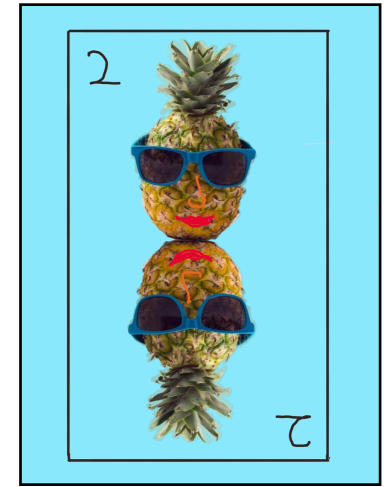

Extinct Animals by Jeri Kluiber

Holiday - not by Lee Peters

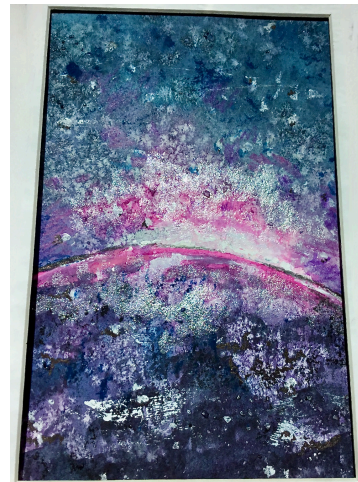

Plants & Flowers by Joan Milligan

Life in Tropics by Sue Herrle

Urban Street by Sue Ann Kulcsar

Night Sky, Comets by Char Dayton

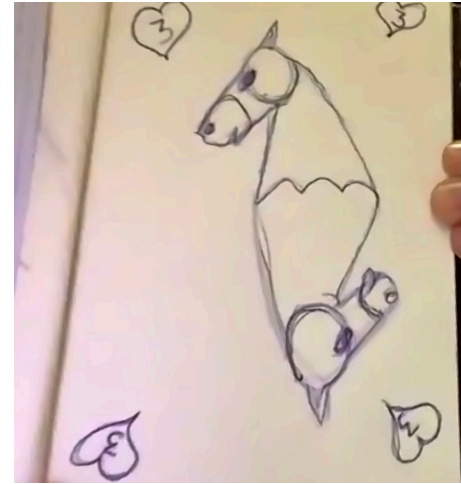

Transportation/Vehicles by Ellen Howard
