PROGRAM

Our demonstrator this month is artist Cathy Moore Rogers. She is primarily an oil painter, but also works in acrylics, watercolor, and charcoal and conte drawing. Cathy was born in Painesville, Ohio in 1959. Ms. Rogers studied at Lakeland Community College with Richard Parsons and Dorothy Malonie. She also attended Cuyahoga Community College where she studied with Jessie Rhinehart. Cathy's work was included in a "10 Woman Show" at The Art Gallery in Willoughby, OH in 1999 and in another group watercolor show that same year. She won *Best of Show* at the 2006 Burton Art Show, *first place* and *People's Choice* award at the 2007 Burton Art Show, and *People's Choice* at the 2008 Burton Art Show. Ms. Rogers is a member of the Portrait Society of America. Most of her work is commissioned portraits. She will be demonstrating a oil portrait of her husband. Her website is www.artistcathymooreerogers.com. Come and enjoy this talented artist!

THANKS TO ALL

David Rankin returned last month with his presentation on "Facebook for Artists". He gave us a hands-on look at how he uses Facebook to promote his work and how we can as well. Facebook is one of the world's largest gathering spots for artists, and, indeed, David has many friends from all over the planet that follow his work. We appreciate David sharing his Facebook knowledge with us. Our members were very attentive to what he had to say, as we obviously lost total track of all time! Some of our members may not be that computer savvy, but many more of us learned a lot. We thank him for sharing his insights and time with us. Our club's Facebook site will definitely benefit from this information. FYI...Euclid Art Association has had its own Facebook page for the last few years and it is open to all members to post anything they think might be of interest to members regarding their artistic endeavors.

Thanks also to our April hostesses, Mary Ann Gambitta and Sue and Tom Herrle. We enjoyed all the tasty goodies - pizza, veggies and dip, Ritz cracker hors d'oeuvre, cookies - set out on a lovely table decorated for spring.

CLOSING THOUGHT

“Everyone is born creative; everyone is given a box of crayons in kindergarten. Then when you hit puberty they take the crayons away and replace them with dry, uninspiring books on algebra, history, etc. Being suddenly hit years later with the 'creative bug' is just a wee voice telling you, “I'd like my crayons back, please.” — Hugh MacLeod
