EAA'S BIO BOOK

It's our objective to double the number of entries in the 'Bio Book'. Help us reach that goal! Why not take this time to create your bio for the book? Patti Meyer did....why not YOU? The “bio book” is available to guests at our Library Shows and provides an excellent opportunity for visitors to learn more about you. Use a standard sheet, one or two sides, and email your bio (as Word or PDF document) to info@euclidart.com. We will add your profile to the binder in a plastic sleeve. IDEAS to include: name, resume, contact information, photos of you or your work, educational background, professional experience, subject matter/medium, memberships, exhibits and/or prizes, artist's statement.

ART LINKS

With the world embracing virtuality and abandoning ‘being there’ in person, our president, Lee Peters is introducing a new running column in the newsletter . . . a look at links to websites and articles about goings on in the world of art.

Google Arts & Culture features content from over 2000 leading museums and archives from over 80 countries who have partnered with the Google Cultural Institute to make their collections accessible to the public through the Internet as well as apps for iOS and Android platforms. There should be enough art here to hold you over until our new season starts, even if it takes till 2120!!??
