### EAA'S BIO BOOK

Thank you to Patti Meyer and Tom Evert for sending their BIO information to Ellen for our Bio Book. What about the rest of you who haven't done it yet? It's our objective to double the number of entries in the 'Bio Book'. Help us reach that goal! The "bio book" is available to guests at our Library Shows and provides an excellent opportunity for visitors to learn more about you. Use a standard sheet, one or two sides, and email your bio (as Word or PDF document) to [info@euclidart.com](mailto:info@euclidart.com). We will add your profile to the binder in a plastic sleeve. IDEAS to include: name, resume, contact information, photos of you or your work, educational background, professional experience, subject matter/medium, memberships, exhibits and/or prizes, artist's statement.

### WHAT ARE MEMBERS DOING DURING “STAY AT HOME” ORDER?

**Barb Everett** will present her “This is Us-Cleveland” show June 10th -July 2. You will be able to buy and take it with you at the Treehouse in The Tremont neighborhood. The art Walkabout is on June 12. She looks forward to seeing fellow EAA members at the event. For more information see Barb's Facebook page at... <https://www.facebook.com/105712460928677/posts/160635985436324/?d=n> .

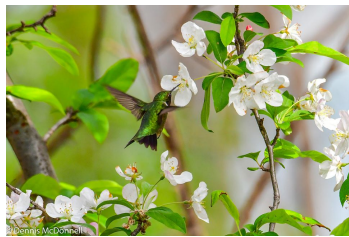

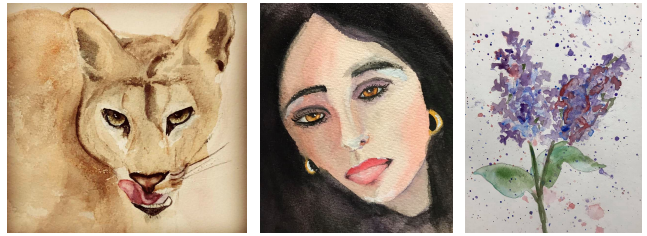

**Laurie Braman**, from NJ has been a member since 2016! If you follow her on Facebook, you'll see the amazing watercolors that she has been creating. <https://www.facebook.com/laurie.braman> .

**HAPPY BIRTHDAY, Dottie Geisert!** Her students organized a 'drive-by' birthday event for her on Sunday afternoon.

**Ellen Howard** and **Sandi Richards** teamed up as a cutting and sewing team to make 67 masks for University Hospitals Bedford Medical Center, with 170 still in the pipeline. Ellen has sewn 288 for family, friends and Esperanza Threads, which supplied St. Vincent Charity Hospital. Go to [www.esperanzathreads.com](http://www.esperanzathreads.com) if you need a local mask source.

**Suzette Cohen** has been actively painting away! Here are a few of her beautiful images! Don't forget to sign up for her September 26th workshop!

**Dennis McDonnell** has been busy photographing birds. If you are friends with him on Facebook, you've probably already seen his amazing images. <https://www.facebook.com/dennis.mcdonnell.7> .

**Joan Milligan** writes "I made masks as well, 150 so far for the Cleveland Clinic...don't know which facility...for local first responders and their families." She also dropped some off at her chiropractor's office and gave some to family and friends. "I'm sewing saddle covers for Fieldstone Farms so they can open again. They are sharing my pattern with therapy facilities across the country." Can't use disinfectant on leather saddles!

**Kirk Ramsey** was selected for a seven day art challenge, which he posted on Facebook. He writes, "I have been nominated by one of New Hampshire's outstanding artists, William Mitchell, for the 7 day art challenge." Check out his amazing artworks on his Facebook site. <https://www.facebook.com/kirk.s.ramsey.01> .

**Pat Simmons** writes "So sad that Euclid Art is shut down. I really miss it. Have been doing art and sorting it. Sorting it has me going out of my mind because there is so much of it. But I am glad I have my art & can do something every day."

**Joe Zupko** spent time learning a new app, Adobe Fresco. He's quite impressed with its functionality. It combines the power of your favorite Photoshop brushes and the revolutionary technology of Live Brushes, for unlimited expression. Paint with watercolors and oils that blossom, blend, smear, and smudge just like the real thing.

**ART LINKS**

**Stuart Pearl**, Board President of the Artists Archives of the Western Reserve write: "Friends, even though AAWR's Museum is still closed due to Covid19 restrictions, you can still see the 2020 Members online at the following link: <http://www.artistsarchives.org/event/2020-annual-members-exhibition/> . After arriving at the main page scroll down to see every entry hanging in the exhibit. You can then view individual pieces in greater detail by clicking on each picture, advancing to the next image as you would a slide show. Enjoy!" Very impressive and worth a 'look see'.
