

Euclid Art Association
presents

“Layered Cut Paper Portraits” Workshop by Kerry Remp

Saturday, April 25, 2015 from 9:00am to 2:00pm

Kerry Remp, artist, engineer, musician, will show us how to create a Layered Portrait....an artistic creation using sheets of colored card stock that are hand-cut with an X-acto knife

and stacked together to represent the person/object. Learn the process that Kerry uses to transform a photo/picture into a Paper Portrait with 3-D depth. Learn about.....selecting an appropriate image, posterization, rendering layers, color selection, cutting and putting it all together.

What portrait will we all make together? For now, it's a surprise!

Cost includes supplies - posterized image, all card stock, etc. Participants need to bring a few items, too. Get the details when you sign up...NOW!

For more information about Kerry, visit his website www.folding4u.com.
