David is one of an elite group of artists from around the world who paint birds. In this unique workshop he will walk us through several precise procedures that he uses to capture the beauty of birds in Transparent Watercolor.

This Workshop has a simple singular focus...Painting Birds in Watercolor. But the training procedures will cover a wide range of skills. David's unique process begins with drawing & sketching and depends upon the development of many blending skills. And it's this ability to create lovely blends that allows us to capture many unique features that are exhibited in birds of all kinds. **SIGN UP NOW!**
