David Rankin Virtual Zoom Workshop

God Made Winter for Watercolor

~ two consecutive Saturdays with homework during the week between ~

SATURDAY JULY 9 & SATURDAY JULY 16, 2022

1:00p.m. to 4:00p.m. EDT

PREPARE FOR HOLIDAY GIFTS EARLY THIS YEAR!

Watercolor's unique relationship with the white of the paper lends itself perfectly to subjects where snow is a major feature. The shadows that fall over snow, the reflected light, the abstracted design of the landscape, all of these elements make complex snow scenes both dramatic and challenging. During these 2-days, you will work with the many variations—the soft shadows,

reflections, light flowing over forms, both warm and cool, complex values, and bright and muted colors.

Use these watercolor techniques to create small original works of art that can be given as gifts this Holiday season or turn them into unique holiday greeting cards.
