## *Let it Flow*

### ACRYLIC WATERMEDIA TECHNIQUES with artist Chris Cozen

Saturday, October 1, 2022 • 9:30 a.m. to 3:30 p.m.

*Come and explore the freedom of working wet with both Golden Fluid and High Flow Acrylic paints and paper and canvas surfaces. There are many exciting techniques to explore while you spend the day with Chris Cozen, Golden Artists Educator and former Working Artist. We will pour, drip, drop, and splash color in a variety of ways, draw into our wet surfaces with water soluble charcoal as we pull and define the colors we have mixed. You will learn about transparent pigments, the properties of acrylics, and learn the differences between watercolor and acrylic watermedia.*

*If you are an acrylic painter you will revel in exploring how the paints change in properties as they are wet out. If you are a traditional watercolor artist, you will find delight in exploring new techniques that can be applied in your medium and discover the joys of layers that stay put as you work in acrylic.*

*It will be a day of play, a day of discovery, and a day of learning all in one.*
